The World is Already Light

It is a common perception that Light is coming into the world, that hearts are opening now to more Love. The truth is there has never been anything else but Love here. You are ready to experience this truth, to consciously allow the Love in...into your experience of your every breath. It is time to recognize what is already here, this sparkling and eternal Love dancing forth choice by choice to bring to you the experience of who you are, of what you choose to perceive yourself to be, all the while creating the scenes of your "reality" out of this fully conscious, ever moving sparkling Love.

When you look with your heart you see only one thing. You see the hologram of God, every tiny particle of which contains the whole of the Love I Am.

~Yael

Language

The language of material creation is structure. The language of the heart is feeling. The language of the soul is imagery. Ready for a surprise? The language of the spirit is energy!

A Story From The Yoga Vasistha

There is a great story from the Yoga Vasistha. A queen is crying. Her husband the king has just been killed in battle.

The queen calls upon Saraswati, who comes in a light body. She lifts the queen up into her own light body, so they both are hovering over the scene of the grieving queen and her dead king husband. Saraswati takes the queen to an alternative universe, where they come upon the scene of the same woman and her dead husband, but in this universe the king and queen are a priest and his wife. Same woman crying over the loss of the same man.

The queen questions Sarawasti about this sobering scene. Sarawasti tells her that three days ago the priest was sitting at his doorstep when a king went by with all his pomp and circumstance and he thought "I would like to be a king'.

So he manifested all the trappings of the Royal life. What seemed like 80 years actually was only 3 days. When it was time for the king to go into battle, he prayed to me (Saraswati) for enlightenment. The king of his opposing army prayed for victory in battle. So I could give them both what they wanted. And the priest got to be king for enough time to burn off that last karma.

Maharishi Mahesh Yogi

"Whatever the natural inclinations of people, they should not be disturbed, because that is the path of their evolution. It should allow them to be what they are, allow them to do what they like, allow them not to do what they do not like."

Jeshua on Love

"The realization of love restored can come in a thousand ways ... a peaceful heart, a dance step in your walk, a child's kiss, or a glistening spring morning. What it universally means is that the love of God is present. If love appears to vanish for a while do not worry; it only seems that way, so that you will seek it again. Love is a mystery -- the greatest mystery of the universe. Love is your true self, which springs forth from God, the indefinable everlasting fountain of existence. There is no explaining what or who will ignite the fire of love within you. There is also no explaining how you, in turn, may light the fire of another. How many times in a group of three travelers did you start out preferring the company of one, and then discover that another was your true friend?"

"Love is a gift, a miracle, a mystery. You are led to its threshold by your affinities, by your inclinations, and by the yearnings of your heart, although its power and presentation is by grace, not by expectation, demand, or requirement. Love is the ultimate paradox, for it is the lamb that is also the lion. Love is the ultimate power, which resides in surrender."

~from *Love Without End*, Chapter 15 p. 407

Quotation

"All truth passes through three stages: first, it is ridiculed; next it is violently attacked; finally, it is held to be self-evident."

~ *Arthur Schopenhauer*

I Know the Way You Can Get by Hafiz

I know the way you can get
When you have not had a drink of Love:

Your face hardens
Your sweet muscles cramp.
Children become concerned
About a strange look that appears in your eyes
Which even begins to worry your own mirror
And nose.

Squirrels and birds sense your sadness
And call an important conference in a tall tree.
They decide which secret code to chant
To help your mind and soul.

Even angels fear that brand of madness
That arrays itself against the world
And throws sharp stones and spears into
The innocent
And into one's self.

O I know the way you can get
If you have not been drinking Love:

You might rip apart
Every sentence your friends and teachers say,
Looking for hidden clauses.

You might weigh every word on a scale
Like a dead fish.

You might pull out a ruler to measure
From every angle in your darkness
The beautiful dimensions of a heart you once
Trusted.

I know the way you can get
If you have not had a drink from Love's hands.

That is why all the Great Ones speak of
The vital need
To keep Remembering God,
So you will come to know and see Him
As being so Playful
And Wanting,
Just Wanting to help.

That is why Hafiz says:
Bring your cup near me,
For I am a Sweet Old Vagabond
With an Infinite Leaking Barrel
Of Light and Laughter and Truth
That the Beloved has tied to my back.

Dear one,
Indeed, please bring me your heart near me.
For all I care about
Is quenching your thirst for freedom!

All a Sane man can ever care about
Is giving Love!
